

SPACES BY WIX APP - COMMUNICATION TOOL

What is the app for?

- ✓ Communications from the academy to each group about any practice change or new events coming up
- ✓ Communicating between parents/coaches whenever you are looking for a field, doubts about game time/location, etc.
- ✓ Sharing videos and images of the team

What not to do through the platform group, and should contact the academy directly about:

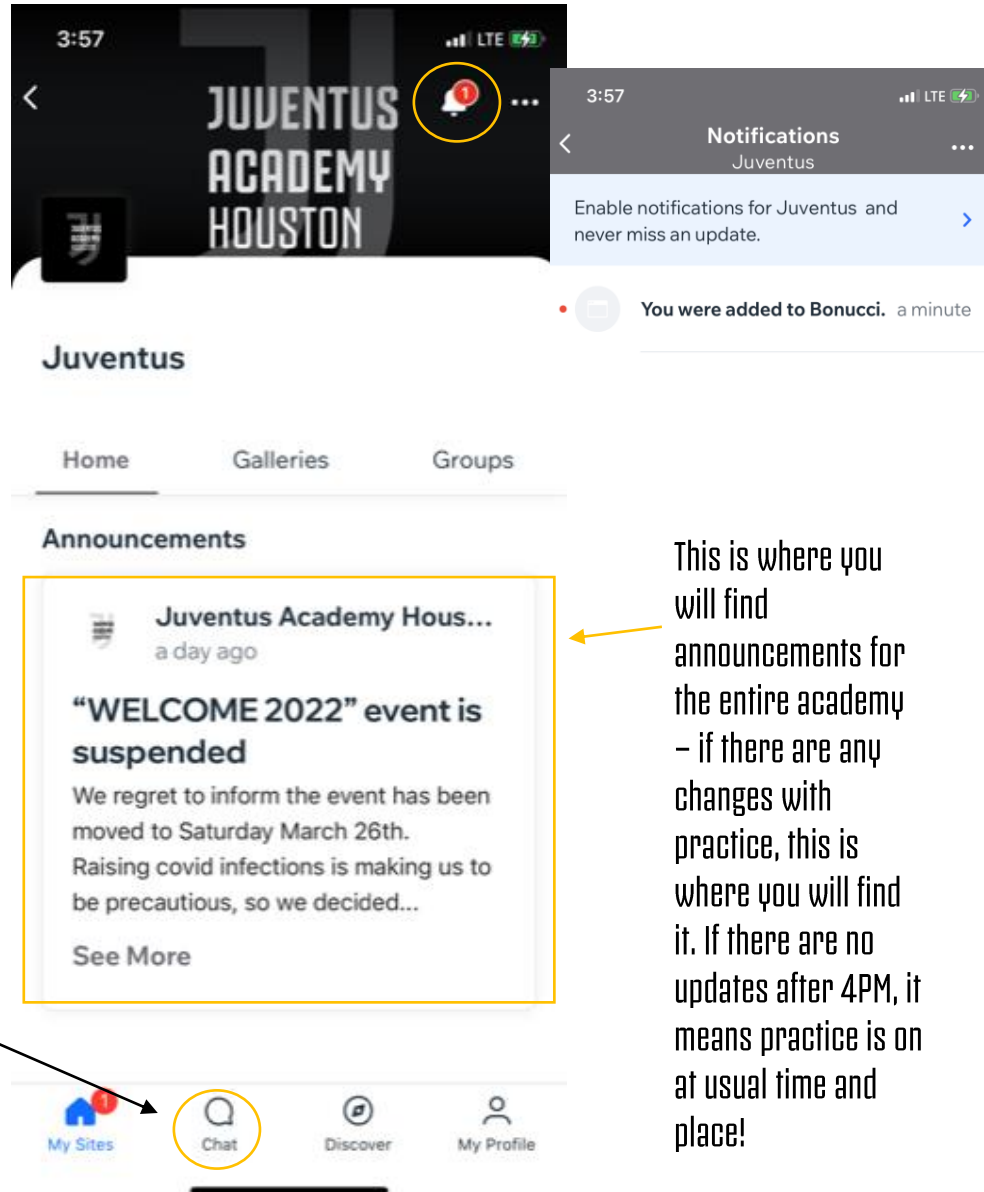

- X Personal communication
- X Questions about your individual player
- X Questions about administrative issues

**Download the Spaces App
to get started!**

HOME PAGE

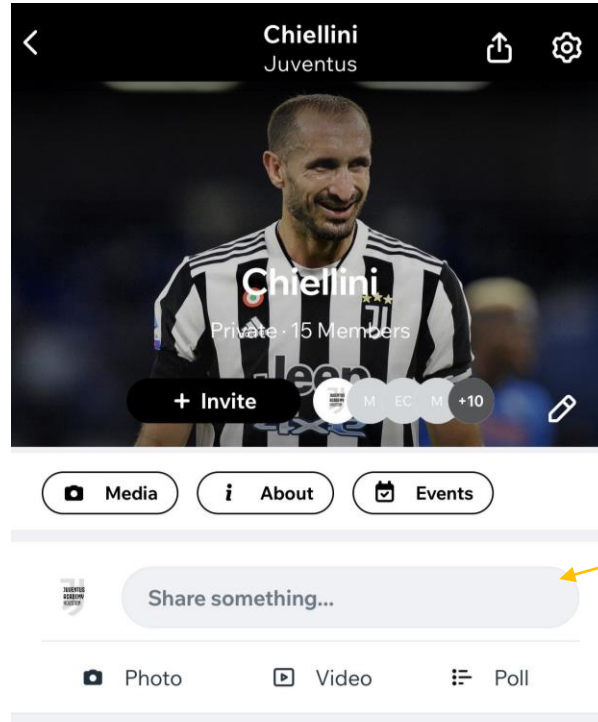

You can always send us direct messages through the Chat! Or through WhatsApp.

This is where you will find announcements for the entire academy – if there are any changes with practice, this is where you will find it. If there are no updates after 4PM, it means practice is on at usual time and place!

GROUPS PAGE

This is what your group should look like. Create a new post for your question! This way a notification is sent to everyone in the group.

The pinned post contains the most important information about league games.

Make sure to scroll down to see the most recent messages and be sure you did not miss anything.
